Covid-19 Reopening Guidelines and Policies (Effective June 13, 2020)

To help slow the spread of Covid-19 and safeguard our players, guests, and employees, **Big League Dreams League City** has implemented the following guidelines and policies in accordance with all local and state mandates, as well as recommendations from the Centers for Disease Control and Prevention.

Measures to Protect Employees, Players and Guests

- Standard social distancing guidelines will be in place throughout the facility, including the main entrance, Stadium Club restaurants, and all seating areas. Appropriate signage and markings will be placed in designated areas to help our guests with these guidelines.
- Touchless hand sanitizer dispensers will be located throughout the facility.
- Big League Dreams employees will be required to wear gloves and protective masks at all times, practice all social distancing guidelines, and wash their hands frequently. Employees who exhibit signs or symptoms of Covid-19 will be asked to stay home or sent home from work.
- Protective barriers will be utilized at all point-of-sale and food pick-up locations.
- Restrooms, counters, doors, railings, tables, and chairs will be sanitized frequently throughout the day/night when the facility is open. All areas will be thoroughly sanitized and cleaned prior to opening each day.

- The self-service station consisting of condiment packets, straws, utensils, napkins and coffee creamers will be moved behind the front counter to be handed out by our Food & Beverage staff as requested.
- When applicable, multiple entrances and sectioned seating will be utilized to allow for social distancing guidelines.
- There are no limits on the number of spectators allowed inside the park. The Stadium Club restaurants will be open and limited to 75% of capacity for seating. The bar area will be open for ordering only.
- Playground and arcade areas will be closed.
- Bag checks at the front gate will be temporarily eliminated.
- Hand stamps for park reentry will be cleaned with a disinfectant wipe after each use.
- Coolers will not be provided inside the dugouts during youth tournaments. Guests may bring a cooler inside the park containing water or fruit only. Coolers will be visually inspected by Big League Dreams staff to ensure compliance.
- Before, during, and after games, no player handshakes will be allowed. Stadium seats will be blocked off for player and coach utilization to allow for team social distancing inside and outside of the dugout. Players, coaches, and spectators of opposing teams should not mix together. Dugouts will have a designated entry and exit for teams coming and going.

It is our utmost priority to ensure the safety of everyone who chooses to work or play at Big League Dreams. Thank you for your cooperation and patience during these unique times.
